

Building Access to HIV Prevention & Treatment: Current Issues & Approaches

Thursday, April 18th, 2024

The Conference Center at Central Penn College, 600 Valley Road Summerdale, PA 17093

AGENDA

Table with 2 columns: Time and Agenda Item. Rows include: 7:30AM-8:00AM Breakfast, Registration, Networking, & Community Exhibitors; 8:00AM-8:45AM Welcome & Introductions (Linda Rose Frank, Robert McKenna, Moira Foster); 8:45AM-9:30AM STI Screening, Sexual Health, and Taking a Status-Neutral Approach to HIV Prevention & Care (Barbara Wilgus); 9:30AM-10:00AM Roundtable Activity #1.

10:00AM–10:15AM	Roundtable Activity #1 Regroup—Q & A <i>Facilitated by:</i> <i>Barbara Wilgus, MSN, CRNP and AETC staff</i>
10:15AM–10:20AM	Break
10:20AM–11:05AM	Treatment as Prevention: PEP, PrEP & Antiretroviral Therapy <i>Presented by:</i> <i>Ken Ho, MD, MPH</i> Associate Professor of Medicine, Division of Infectious Diseases University of Pittsburgh School of Medicine Medical Director, Pitt Men’s Study By the end of the session, the learner will be able to: <ul style="list-style-type: none"> • Discuss current biomedical prevention strategies for preventing HIV, including PrEP, PEP, and treatment as prevention. • List available oral options and long-acting injectable options for PrEP. • Review current PrEP guidelines. • Identify prevention challenges, hard to reach populations, and barriers to prevention access.
11:05AM–11:35AM	Roundtable Activity #2
11:35AM–11:50AM	Roundtable Activity #2 Regroup—Q & A <i>Facilitated by:</i> <i>Ken Ho, MD, MPH and AETC staff</i>
11:50AM – 12:35PM	HIV & Aging: Meeting the Needs of a Growing Population <i>Presented by:</i> <i>Dorcas Baker, RN, BSN, ACRN, CDP, MA</i> Regional Coordinator MidAtlantic AETC, JHU Regional Partner Center for Infectious Disease and Nursing Innovation Johns Hopkins University School of Nursing By the end of the session, the learner will be able to: <ul style="list-style-type: none"> • Describe the epidemiology of HIV in older adults. • Describe the evolving landscape of aging and HIV. • Discuss what can be done to improve the overall health outcomes.
12:35PM–1:20PM	Lunch
1:20PM–1:50PM	Roundtable Activity #3

1:50PM – 2:05PM	<p>Roundtable Activity #3 Regroup—Q & A <i>Facilitated by:</i> <i>Dorcas Baker, RN, BSN, ACRN, CDP, MA and AETC staff</i></p>
2:05PM–2:50PM	<p>Trauma-Informed Care & HIV <i>Presented by:</i> <i>Briana L. Snyder, PhD, RN, PMH-BC, CNE</i> Associate Professor & Graduate Program Director Nursing, Towson University</p> <p>By the end of the session, the learner will be able to:</p> <ul style="list-style-type: none"> • Discuss the prevalence of trauma in the general population and for persons with HIV. • List signs and symptoms of trauma in adults. • Describe ACE scoring uses and limitations. • Delineate the six guiding principles to a trauma-informed approach to care.
2:50PM–3:20PM	<p>Roundtable Activity #4</p>
3:20PM–3:25PM	<p>Break</p>
3:25PM–3:40PM	<p>Roundtable Activity #4 Regroup—Q & A <i>Facilitated by:</i> <i>Briana L. Snyder, PhD, RN, PMH-BC, CNE and AETC staff</i></p>
3:40PM–4:25PM	<p>Reaching Special Populations for HIV Prevention, Treatment & Care <i>Presented by:</i> <i>Darrell McBride, DO</i> Medical Director, Ryan White Program, Geisinger Medical Center Clinical Assistant Professor of Medicine, Infectious Diseases Regional Assistant Dean, Student Affairs Geisinger Commonwealth School of Medicine</p> <p>By the end of the session, the learner will be able to:</p> <ul style="list-style-type: none"> • Define & discuss drivers of health, health equity, and associated increased risk for health issues, including HIV. • Identify & discuss populations at greater risk for HIV infection. • Discuss missed opportunities for prevention and therapeutic care.
4:25PM– 4:55PM	<p>Roundtable Activity #5 <i>Facilitated by:</i> <i>Darrell McBride, DO and AETC staff</i></p>
4:55PM– 5:10PM	<p>Roundtable Activity #5 Regroup—Q & A</p>
5:10PM– 5:15PM	<p>Evaluations & Wrap-Up</p>

PROGRAM OVERVIEW & OUTCOMES

This program is presented by the MidAtlantic AIDS Education and Training Center in collaboration with the STD/HIV Prevention and Training Center at Johns Hopkins, Danya Institute, Central East Addiction Technology Transfer Center (CEATTC), Family Health Council of Central Pennsylvania, Inc., Alder Health, Family First Health, Lancaster General Health, GLO Harrisburg, Hamilton Health Center, and Resources, Education, and Comprehensive Care for HIV Program at UPMC, Central, PA.

Upon completion of this program, participants will be able to:

- Discuss taking a comprehensive sexual history for persons with and/or at risk for HIV.
- Review CDC guidelines for STI and HIV screening, testing, and delivering test results.
- Discuss current biomedical prevention strategies for preventing HIV, including PrEP, PEP, and treatment as prevention.
- Review current PrEP guidelines and options for delivery.
- Discuss prevention challenges, hard-to-reach populations, and barriers to prevention access.
- Describe the epidemiology of HIV in older adults and approaches to improve overall outcomes.
- Discuss trauma informed approaches for persons with HIV including ACE scoring, signs, and symptoms of trauma in adults, and guiding principles.
- Define drivers of health, health equity, and discuss associated increased risk for HIV and health-related issues.
- Identify and discuss populations at greater risk for HIV infection and opportunities for prevention and therapeutic care.

FACULTY

Linda Rose Frank, PhD, MSN, ACRN, FAAN	Professor, Public Health, Medicine, & Nursing Principal Investigator, MidAtlantic AETC University of Pittsburgh, School of Public Health Pittsburgh, PA
Moira Foster, BA	HIV Care Manager Pennsylvania Department of Health, Bureau of Communicable Disease, Division of HIV Disease Harrisburg, PA
Robert McKenna, PhD	Office of Intergovernmental & External Affairs Health Resources and Services Administration U.S. Department of Health and Human Services Philadelphia, PA

Barbara Wilgus, MSN, CRNP	Program Administrator, STD/HIV Prevention Training Center Senior Staff, Division of Infectious Disease Johns Hopkins University, School of Medicine Baltimore, MD
Ken Ho, MD, MPH	Associate Professor of Medicine, Division of Infectious Diseases University of Pittsburgh, School of Medicine Medical Director, Pitt Men’s Study Pittsburgh, PA
Dorcas Baker, RN, BSN, ACRN, CDP, MA	Regional Coordinator, MidAtlantic AETC, Johns Hopkins Regional Partner Center for Infectious Disease and Nursing Innovation Johns Hopkins University, School of Nursing Baltimore, MD
Briana L. Snyder, PhD, RN, PMH-BC, CNE	Associate Professor & Graduate Program Director Towson University, School of Nursing Towson, MD
Darrell McBride, DO	Medical Director, Ryan White Part C, Geisinger Medical Center Clinical Assistant Professor of Medicine, Infectious Diseases Regional Assistant Dean, Student Affairs Geisinger Commonwealth School of Medicine Danville, PA

DISCLOSURE

The faculty members have no commercial support to disclose relative to this educational activity.
The planning committee members have no commercial support to disclose for this educational activity.
Planning Committee: Linda Rose Frank, PhD, MSN, ACRN, FAAN; Kimberly Sabolcik, MSW; Ann Spellman, MAT; Lydia Nieminen, MPH, a-IPC; Debra D’Alessandro, MPH; Tania Warner, MS; Jeanne Hoover, and Barbara Wilgus, MSN, CRNP.

TARGET AUDIENCE

The intended audience for this program includes healthcare workers working in the fields of HIV, HCV, STIs, harm reduction, mental health, and substance use disorder.
