ACRN/AACRN Review

LET'S REVIEW!!

- *Break-Out Course Tracks for ACRN and AACRN*
- *Includes Content Review and Practice Test with Review & Rationale*
- *Interactive Webinar Series*
- *Reduced Rate for HANCB Practice Test*
- *CNE and Pharmacology CNE Offered*

COURSE DESCRIPTION

This 2-day course will provide nurses and nurse practitioners with an in-depth and organized review in preparation for ACRN/AACRN exam. This is also a great course if you are considering recertification. The goal of this program is to:

1. Assist nurses in preparation for the ACRN/AACRN exam by reviewing content in the major test categories, including but not limited to: epidemiology, pathophysiology, clinical manifestations, physical exam, disease process, mental health and medication therapy.
2. Provide a review of the nursing processes involved in providing comprehensive care to the HIV infected patient.
3. Provide test taking strategies for the ACRN/AACRN exam.
4. Provide participants with practice test and provide full review of correct answers with rationale.
5. Establish ongoing distance based learning with participants through online faculty access and webinars.

REGISTRATION & COURSE FEES:

Register at <https://www.maaetc.org/events/view/11191>

You will need to create an account as part of the registration process. Pre-registration is required. Please note that all payments must be mailed separately.

Credit cards are NOT accepted. Your registration is not complete until payment has been received.

Registration deadline is **July 31, 2018**

Track	*Early Bird (June 30th)	After June 30th
ACRN	\$250	\$300
AACRN	\$300	\$350

**Payments must be postmarked by June 30, 2018 to receive early bird discounts.*

Please make your check or money order payable to:
University of Maryland.

Mail your payment to:

UMB Institute of Human Virology AETC

Attn: Danielle Confer

22 S. Greene Street, Box 175, Baltimore, MD 21201
