Interprofessional Education and the HIV Care Continuum

June 13, 2018

Featured Speaker:

Linda Rose Frank, PhD, MSN, ACRN, FAAN
Professor of Public Health, Medicine, & Nursing
Department of Infectious Diseases and Microbiology
Graduate School of Public Health
University of Pittsburgh
Pittsburgh, PA

Program Overview

The purpose of this webinar is to enable participants to increase their understanding of Interprofessional Education (IPE) and how it can be applied to improve the HIV care continuum.

Upon completion, participants will be able to:

- Identify the 4 competency domains of Interprofessional Education
- Discuss the application of IPE in HIV care and primary care settings
- Discuss the implications for IPE improving the HIV care continuum
