OBJECTIVES

1. Describe the epidemiology of HIV in Baltimore City and Maryland State
2. Describe the current treatment guidelines for PrEP
3. Describe how women are impacted by HIV and how they may benefit from PrEP
4. Describe management of significant sexually transmitted infections
5. Demonstrate sexually history taking skills and increase comfort discussing sexuality with women
6. Discuss patient education with practical approaches for patients to adhere to medication and follow-up clinic visits
7. Identify patient support programs and novel PrEP models
8. Explain how to monitor the patient and adjust care plan as needed
9. List 2 ways this women and PrEP training will impact my team

Origination Date: 9/24/2019

Expiration Date: 9/24/2021

ACCREDITATION STATEMENTS:

CME activities with Joint Providers: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Centers for Disease Control and Prevention and STD/HIV Prevention Training Center at Johns Hopkins and Johns Hopkins University AIDS Education and Training Center Regional Partner. The Centers for Disease Control and Prevention is accredited by the (ACCME®) to provide medical education for physicians.

The Centers for Disease Control and Prevention designates this **live activity** for a maximum of **6.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **.7 CEU's** for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to **6.5** total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are **0**. CDC provider number **98614**.

®**CPE:** The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program is a designated event for pharmacists to receive .65 CEUs in pharmacy education. The Universal Activity Number is 0387-9999-19-162-L02-P.

Category: This activity has been designated as Knowledge-Based

Once credit is claimed, an unofficial statement of credit is immediately available on TCEOnline. Official credit will be uploaded within 60 days on the NABP/CPE Monitor.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer 7.0 CPH recertification credits for this program.

DISCLOSURE: In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, presenters, and their spouses/partners **wish** to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters with the exception of Dr. Jones and she wishes to disclose that her husband has stock in Gilead.

Planning committee discussed conflict of interest with Dr. Jones to ensure there is no bias.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept commercial support for this continuing education activity.

FEES: There are no fees for CE.
