

Adherence Across The Lifespan

Join the Johns Hopkins University AIDS Education and Training Center (AETC) will host the **5th Annual Adherence Across the Life Span HIV Symposium**. This full day workshop will address the unique issues of getting to viral suppression through Antiretroviral Therapy (ART) adherence in adolescents as well those aging up with HIV/AIDS. Experts in the field will provide current information pertaining to the timeline from treatment to viral suppression of HIV including mental health issues, patient advocacy, barriers and best practices through informative interactive presentations.

TARGETED AUDIENCE: MD's, Nurses, PA's Public Health Practitioners, Social Workers, Outreach Workers, Counselors, and Case Managers. CEU's for Social Workers, Counselors and Therapist are available.
