11:50 a.m.—12:00 p.m. **Welcome**

12:00 p.m. - 1:00 p.m. **Compassion Fatigue: The Stress of Caring Too Much**

By Elizabeth Coffey, MA - State Opioid Response Director, Dept. Health and Human Resources

Objectives: *At the end of this program, participants should be able to:*

1. Define compassion fatigue and your level of risk.
2. Understand and prepare for personal reactions when working with individuals who are not yet in recovery or are in early stages of recovery, including individuals with HIV.
3. Understand the difference between compassion fatigue and burnout.
4. Learn about and identify positive coping strategies and relevant resources.

“HIV Basics, Hepatitis C and Stigma”

Offered:	Time:	*Registration Link:
December 15, 2021	11:50 a.m. - 1:00 p.m.	www.maaetc.org/events/view/19336
January 12, 2022	10:50 a.m. - 12:00 p.m.	www.maaetc.org/events/view/19408
January 20, 2022	12:50 p.m. - 2:00 p.m.	www.maaetc.org/events/view/19409

Program Description: Modes of transmission and the correct use of protective equipment for HIV and Hepatitis C will be discussed as well as how stigma can impact patient care.

Target Audience: The intended audience for this webinar are first responders, social workers, nurse practitioners, advance practice nurses, nurses and ancillary team members. **Please see below for credits offered.*

Your Speakers are: Carolyn Kidd, RN BSN ACRN, Adam Hoffman and Liira Raines

Objectives: *At the end of this program, participants should be able to:*

1. Describe the epidemiology of HIV in West Virginia.
2. Explain HIV and Hepatitis C transmission.
3. Discuss protective measures and prevention.
4. Determine the role of the personnel.
5. Discuss stigma and impact on care.
6. List ways to reduce stigma.
