Wrap-up/Evaluations/CME's and Certificates

OBJECTIVES

1. Describe the epidemiology of HIV in Baltimore City and Maryland State
2. Describe the current treatment guidelines for PrEP
3. Describe how women are impacted by HIV and how they may benefit from PrEP
4. Describe management of significant sexually transmitted infections
5. Demonstrate sexually history taking skills and increase comfort discussing sexuality with women
6. Discuss patient education with practical approaches for patients to adhere to medication and follow-up clinic visits
7. Identify patient support programs and novel PrEP models
8. Explain how to monitor the patient and adjust care plan as needed
9. List 2 ways this women and PrEP training will impact my team

Origination Date: 9/24/2019

Expiration Date: 9/24/2021

Renewal Date: 9/24/2023

In support of improving patient care, this activity has been planned and implemented by Centers for Disease Control and Prevention and **STI/HIV Prevention Training Center at Johns Hopkins**. The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: The Centers for Disease Control and Prevention designates this **live** activity for a maximum of **6.5** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CPE: The Centers for Disease Control and Prevention designated this **Knowledge-based** event for pharmacists to receive **6.5** CEUs in pharmacy education. The Universal Activity Number is **JA4008229-9999-22-145-L01-P**.

Once credit is claimed, an unofficial statement of credit is immediately available on TCEOnline. Official credit will be uploaded within 60 days on the NABP/CPE Monitor

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **.7** CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES[®]) and/or Master Certified Health Education Specialists (MCHES[®]) to receive up to **6.5** total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are **0**. Continuing Competency credits available are **6.5**. CDC provider number **98614**.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer **6.5** CPH recertification credits for this program.

DISCLOSURE: In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies over the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and presenters wish to disclose they have no financial relationship(s) with ineligible companies with the exception of Dr. Anderson and she wishes to disclose that she owns stock in Pfizer Pharmaceuticals, Abbvie Pharmaceuticals and Merck Pharmaceuticals. She also gets research support from Gilead. Also Ms. Jones Parker wishes to disclose that she is on the speaker's bureau for Gilead Janssen.

All of the relevant financial relationships listed for these individuals have been mitigated.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity.
