This virtual symposium will provide current updates and discussion on multimorbidity and complexities of care, bridging gaps in services, reframing ageism, aging policy issues, nuts and bolts of aging assessments, and focus on increasing resilience and improving health outcomes for people with HIV. The symposium will also showcase didactic and interactive panels featuring speakers with lived experiences and health care providers.

ANAC will provide 6.0 contact hours of nursing continuing education for full completion of this activity. ANAC is accredited as a provider of nursing continuing professional development by the American Nurses Center's Commission on Accreditation.
